Liquidator's Final Report
pursuant to section 257 of the Companies Act 1993

to the Creditors and Shareholders of

Intercity Movers 2000 Limited (In Liquidation)

Gerard Hulst was appointed Liquidator of the above company by special resolution of the shareholders on the 11th day of June 2001.

Actions of the Liquidator

The first report to creditors was dated 18 June 2001.

Since the Liquidator's last report I have managed to receive payment from two debtors. The remaining debtors are considered to be unrecoverable.

The motor vehicles that were transferred to AAA Movers Limited and were subject to Hire Purchase agreements have been repossessed by the finance companies. Owing to insufficient funds in this liquidation, any litigation to recover the equity in these vehicles is not possible.

The only motor vehicle owned by the company has been sold.

There are no outstanding issues.

Statement of Realisations and Distributions

pursuant to s257 of the Companies Act 1993

A Statement of Realisations and Distributions is attached.

General Comments

The liquidation of the company is now complete and the Liquidator states:

1. All known assets have been disclaimed or realised or distributed without realisation, and
2. All proceeds of realisation have been distributed, and
3. A statement of Realisation and Distribution is included in the attached.
4. The company is ready to be removed from the New Zealand Register.
